## **CONFERENCES AND MEETINGS**

Each organization agrees to provide the other with a meeting invitation and two complimentary VIP registrations to their primary annual meeting.

ASHRAE and ASPE agree to explore opportunities to provide speakers at the other organization's meetings to help provide updates and perspectives on technologies and trends of mutual interest.

Where mutually beneficial, each organization shall help publicize the other organization's meetings and promote attendance.

## **CHAPTER COLLABORATION**

ASHRAE and ASPE agree to coordinate promotion of joint grassroots meetings of respective members. Exchange of Chapter/Section leader contact information will be considered as one way to accomplish this objective.

## **ADVOCACY**

Where mutually beneficial and to the extent allowed by laws and corporate policies, ASHRAE and ASPE agree to work together on common public affairs goals and ideologies. During annual liaison meetings, public affairs strategies will be discussed and common goals identified. Collaborative opportunities to be considered include:

- Joint promotion of codes and standards at the local, state and federal levels.
- Promoting mutually beneficial positions during the development and passage of state and federal legislation.
- Education of legislators on issues important to the members of each organization.

## **PUBLICATIONS**

Recognizing that electronic, digital and print publications are a primary means of disseminating new technologies, trends and practices, ASHRAE and ASPE agree to:

- Provide at least one complimentary subscription of the primary membership periodical to be received at the headquarters location of the other organization.
- Explore opportunities to jointly produce publications of mutual benefit.
- Cross-market each organization's publications where appropriate and with industry standard distributor discounts.
- Use periodicals to promote the other organization's events, publications and other activities using electronic, digital, website and social media methods.
- Explore mutually beneficial ways to translate publications for member benefit.
- Use of applicable publications will be granted with mutual written consent.

## **EDUCATION**

As leading providers of conventional and online educational services and in recognition of the vital role professional development has for our respective members, ASHRAE and ASPE agree to:

- Cross-market educational offerings at the regional, national and international levels.

- Explore opportunities to co-develop new courses, collateral or other training programs that take advantage of overlapping and complimentary expertise between ASHRAE and ASPE.
- Discuss ways that certification programs can be jointly developed and promoted.
- Use of applicable educational data will be granted with mutual written consent.

#### **TECHNICAL ACTIVITIES COORDINATION**

ASHRAE and ASPE agree to foster technical cooperation in areas of common interest by:

- Encourage members in each organization to participate on technical committees and task forces.
- Provide opportunities to participate in and comment on proposed standards, guidelines, policies, and position statements developed on technical subjects as they relate to buildings and community developments.
- Establish liaison representatives to key technical committees where mutually beneficial to do so.

#### **RESEARCH**

Recognizing the importance research plays in accelerating the transformation to a more sustainable built environment, ASHRAE and ASPE agree to:

- Promote research in areas where research results will add to the body of knowledge in conservation of natural resources, increasing energy efficiencies, etc.;
- Disseminate research results quickly, focusing on high-impact findings.
- Identify opportunities for research funding from other sources.
- Use of applicable research data will be granted with mutual written consent.

#### **TERMINATION**

Either party may terminate this MOU, with or without stated cause, upon providing the other party with thirty (30) days written notice of intent to terminate.

#### **TERM**

The term of this Memorandum of Understanding shall begin when signed by both parties and shall expire at the end of three (3) years unless extended at that time by written agreement.

#### **LEGAL STANDING**

This MOU reflects a commitment by ASHRAE and ASPE to continue and enhance their working relationship and individual efforts toward achieving mutual objectives described above. It does not create a binding obligation or agreement between the two organizations, and neither organization has an obligation to negotiate toward or enter into a binding written agreement. In addition, this MOU does not create a partnership, joint venture, fiduciary relationship or similar relationship between ASHRAE and ASPE. Furthermore, it is understood that this Memorandum of Understanding is conceived as a dynamic document, meant to change as circumstances and priorities warrant. It may be modified or amended by written agreement between both organizations.
